## *Endorsements / Testimonials*

“LOVE your minstry and the wisdom of the Word of God in all your writings. Many blessings!”— Kay Dodd Stokes

“... so thankful for this ministry! (heart)”—Lori Saxton

“Thank you Skeet for your wonderful message last night in Lititz.. You are a dynamic speaker with a gift to teach and it was apparent last night! You exuded the Lord and I felt like we were old friends having a chat! The only complaint I have is that I left wanting to hear more from you! ;). I will be praying that the Lord will allow you to do an Overcomers weekend here soon. I know many more need to hear you speak!”

“It was so nice to meet Sony as well! Thank you both and God bless you!!”

(Speaking invite) “I’ve GOT to get you local in my area. There are so many families who would be blessed with your message.”

(Speaking) “All women should go!!!! Skeet and the girls are wonderful to listen to.” —Alicia Miller

“Skeet is a precious precious lady. So genuine and loves Jesus with her entire being.”—Daneille Snowden

“I am thankful for your input in my life! You have helped me to get back to what is really important!”

“A the beginning of the meeting you prayed that we would leave there knowing God better than we’d ever known Him before. That is just what happened to me. It left me hungry for more of Jesus!”

“My husband says he can see a change in me since the ladies retreat where you spoke to us about overcoming our fears with faith. I felt like God had changed my heart and my focus -- but how nice to hear that it is really true and that others can see it too!”

“I heard you speak in Pennsylvania and was completely blown away! If I had known that it was going to be that good, I’d have invited all my friends and a bunch of my family members. Keep me on your mailing list so I don’t miss you when you come around next year. Your words changed my life!”

“Skeet Savage pulls no punches. I laughed. I cried. I found myself literally ducking my head every time those arrows of truth hit their mark. I left the meeting knowing I would never be the same -- at least that’s my prayer.”

“After tonight, no one can ever tell me that God does not speak to people today -- I heard His voice speaking through Skeet Savage.”

“Please come back to speak here again. No one has ever made the Bible so clear to me as you do.”

“Tonight I got to hear Skeet Savage speak for the first time. All I cansay is, “WOW!” Hearing this woman speak is like listening to John the Baptist or the Apostle Paul -- or an angel from Heaven. You get the feeling that she just came from the very presence of God to speak to us on His behalf. All I can say is, if you ever get a chance to hear her speak, don’t miss it! You should read her books, too.”

“What’s it like to hear Skeet Savage speak? Convicting. Empowering. Uplifting. Encouraging. Life changing.”

“The invitation said, ‘an intimate gathering with Skeet Savage’ and I know now why they called it that! Skeet Savage makes you feel like you could talk to her about anything -- and judging by the lines of people lined up to meet and pray with her afterward, I’m guessing that although there were probably more than 200 ladies in attendance, they would all say the same! She spoke so clearly and directly to my heart that it almost felt like a one-on-one conversation with her -- and with God! I hope to hear her again sometime.”
